Below is a list of resources provided by the Student Resource Scheme for each subject studied.

Students participating in the Scheme will automatically receive the textbooks and resources as detailed below.

If a parent/caregiver **does not** choose for their student to participate in the Scheme, they will be responsible for providing all of the resources listed below, for the subjects the student is enrolled in.

**\*Items only available through the school and will be invoiced to non-participating students**

**Please note: Costs subject to change**
